

The new marriage garden at the Parramatta Registry

Our beautifully landscaped garden and new marriage room are the perfect setting to make your special day personal, intimate and affordable.

Exchange your wedding vows in the peaceful surrounds of our garden, with the reassurance of an adjoining indoor setting, should the weather become unstable. The Registry marriage room is both elegant and convenient.

Accessible to both wheelchairs and prams, this uniquely designed, air-conditioned facility seats up to 24 people, with additional standing room for larger parties.

Parramatta conducts marriages:
Monday to Friday 9:00am to 4:30pm
Friday evening 6:00pm to 8:00pm
Saturday and Sundays
